

GUEST BARTENDING

Raising a Glass to Raise Money for the
Disabled Sports USA
Wounded Warriors Project

<http://www.dsusa.org/>

Join us and bring your friends for great music, good company,
and free hor d'voures -
all to benefit those who make the ultimate sacrifice for our
freedoms everyday.

Thursday, October 19th
5:30 - 9:00 p.m.

<http://www.dimitris.us>
2205 Frederick Road
Catonsville MD 21228

Guest Bartenders include:

Debbie Burchardt of Coldwell Banker's Enchanted Forest Office
and many of our fellow Rotarians

We are glad to say that some of the US Army Wounded Warriors may be in attendance

Tip proceeds collected by the Rotary Club of Catonsville-Sunrise will benefit
the Disabled Sports USA Wounded Warrior Project.

About Disabled Sports USA Wounded Warrior Project:

A national nonprofit, 501(c)(3), organization established in 1967 by disabled Vietnam veterans to serve the war injured. Disabled Sports USA (DS/USA) is honored to be working with Walter Reed Army Medical Center (WRAMC) and Brooke Army Medical Center (BAMC), to provide sports rehabilitation programs for those service members who have received severe injuries, leading to a permanent disability, while fighting the Global War on Terrorism. Thanks to our donors, the severely wounded service members receive these services free of charge, including the costs of participation of a family member. Disabled Sports USA, in cooperation with its chapters and The Wounded Warrior Project, provides a variety of opportunities for our dedicated service members and their families to experience everything life has to offer through sports and recreation.
