

# Hello Everyone !!!!

Now that I have your attention here is a summary of yesterdays World Famous Catonsville Sunrise Rotary Meeting.

1. Everything started with our new president Bruce VanDervort holding his first meeting as the President.
2. Attendance was light. I think there are a lot of you out there somewhere but our lost and are having problems finding your way back. Or maybe you have gone away on a long deserved vacation on some secluded island somewhere. We just want to let you know that you were dearly missed.
3. Richard Hiteshew gave a report on the Catonsville Emergency Food Ministry. As usual Richard is very detailed and well spoken.
4. Doug Scriba, you all know him. He's the short guy with all the hot air!!! OOPS! Anyhow Doug gave us a rundowns on this years YMCA/Catonsville Sunrise Rotary Annual 5-K Race which will be held on Saturday, September 24th. Doug needs volunteers to help with the race that day. Duties will include, but not limited to, set up, clean up, handing out water, taking registration, control traffic and give directions along the race route. This part cost us nothing but your time and energy so step up to the plate and give Doug a hand. We all know there is some help Doug needs that we just can't give but in this case we can.
5. Doug is still looking for Race Sponsors at a cost of \$300 - \$5000. If you have contacts with any corporations or someone who likes to participate in events like this give Doug a call.
6. Don't forget the Catonsville Chambers Crab Feast is coming up on Tuesday, July 19th and tickets are still available. Call the chamber office and get yours today. It's always a fun time, the food is great and the silent auction offers many services and products from local venders.
7. This years July 4th Parade was a great success and the Fireworks were wonderful. What a great place to live.
8. The farmers Market is alive and well every Wednesday at the Rec & Parks building on Bloomsbury. Get your garden fresh Veggies and flowers every Wednesday starting at 10:00am. From the farm directly to you. It just doesn't get any better than that.
9. Our Guest Speaker, Beth Grubb kept us all on Pins and Needles as she did a fabulous job giving her presentation on the benefits and history of Acupuncture.
10. Our next Board Meeting will be on Tuesday, July 19th at the Chamber Office starting at 7:30am. All are welcome.
