## Rotary News

Our friend and fellow Rotarian, Brian Cooper, passed away in his native Australia on July 8<sup>th</sup>. We knew Brian for a very short time. We were astounded by his ability to make every acquaintance an instant friend. We knew him as an example of courage and kindness.

In a memorial ceremony at the Catholic Community at Relay last Thursday, a large gathering of family and friends celebrated Brian's time with us. There were stories of his love of life, obsession for the culinary arts, and countless acts of compassion.

We will miss his unceasing optimism – facing an uncertain future with joy and class. Those memories will act as a lesson on living that will keep him alive in our hearts.
