Subject: Meeting update

Hello everyone,

Here is your official weekly meeting update. This email is intended to give you the latest and greatest as to the happenings at our weekly meetings. Well where I start;

1. Today's greeter is still out on vacation leave (Ray Persinger) so we had a group greeting that was handled by everyone.
2. I handled the devotion and we had to get a translator from South Balwmer to interpret what I said to the rest of the crowd.
3. Doug gave us an update on the 5-K Race which is scheduled for September 24th in beautiful downtown Catonsville. He is looking for more runners to participate so send out the word and if you know any businesses or schools that want to participate as a group there may be a discount on the registration.
4. Richard Hiteshow gave us a very nice rundown on the Delrey School and what they used our last year's donation of \$1,000 for. They did a lot of nice things for the kids.
5. A sign-up sheet to help out at our booth at the Catonsville Crafts Fair was passed around today. If you weren't at today's meeting contact John Galley for info or just come to next weeks meeting.
6. Charrissa is having a networking meeting at her Huntington Learning Center with the Greater Catonsville Chamber of Commerce this Friday starting at 8:00am. Her center is located on N. Rolling Road in the strip plaza behind the Double TT.
7. Chris Jones has 3 tickets available for the O's game on September 18th. They will be playing Tampa Bay. Contact Chris if you are interested.
8. Last week Tom Medicus and Russ Witzke had a contest for the most colorful Hawaiian shirt. I figured Russ as the winner only because he also wore sunglasses but this week Tom, not to be outdone, came wearing another bold and beautiful shirt and Russ was not there to compete.
9. Next week we will be visited by our District Governor so please plan to attend.
10. Next weeks meeting is our club business meeting as well.
11. Today's speaker was Frank Kolarek from League of Dreams. Frank gave a great presentation on this organization and how it helps many disabled youngsters and adults. There is a golf tournament to benefit this organization at the Rolling Road Gold Club on Monday, September 12th. They are looking for sponsors as well as volunteers to help. If you are interested call Fran at 410-719-1641 or email him at FKolarek@leagueofdreams.org. You can also visit their website at www.leagueofdreams.org. The event will start with registration at 9:00am and a continental breakfast at 10:00am. The shot gun start will be at 11:00am.
12. Don't forget the Catonsville Crafts Fair on September 11th. This is a wonderful event

Now you have the latest and greatest from your truly. I hope to see you at the networking event on Friday at Charrissa's Huntington Learning Center at 8:00am. I don't want to drink all that coffee and eat all those doughnuts by myself.
