Rotary News

Don Chauvin is the Governor of District 6200 in Southwest Louisiana, the one coordinating some of the relief efforts in District 6840. District 6840 includes clubs in the New Orleans area and along the Mississippi Gulf coast to the Alabama line.

Don reports that District 6840 is still not functioning as a District because many of their Club members are scattered and have not been able to get back to the area. Neil Alford, the Governor of that District, is still displaced and staying with friends and making an assessment of the long term needs.

Don said District 6200 has been overwhelmed with goods and supplies. **HE ASKS THAT NO MORE CLOTHING, TOYS, OR WATER BE SENT** because they cannot handle the volume.

However, there is still a need for **non perishable food, school supplies, Ensure, formula, disinfectant, and diapers.**

Quote of the Week:
