Rotary News

A Great Night at Matthews

Everyone visiting Matthews 1600 last Thursday was impressed by the crowd gathered around to patronize a local establishment for a good cause. The beer was cold and the appetizers appreciated at our Guest Bartending Night. It was also a Rotary reunion as we greeted old friends who mingled with veteran Rotarians and new members.

Thank you to everyone behind the bar. No doubt the special charisma of our bartenders led to a large collection in the tip bucket. Thank you to Reggie for organizing a great event. Thank you also to Patsy Anderson and the Red Hat Ladies for their support. And thank you to Matthews 1600. We hope this is the beginning of a beautiful friendship.

Membership Strategy for November

It's time to renew our commitment to increasing the number of members in our club. During November, we will review and update our Membership Information Package, develop list of 50 top prospects and send each an invitation, encourage each current member to bring a guest, and build a permanent membership display to be at every event. The target is to have these initiatives completed by our club meeting on November 23rd.

Let us know if you can assist with one or more of the projects listed above.
